KASHIEF SCHROEDER - OWNER & CO-FOUNDER

About Us

- We are container providers with our head office in Cape Town and an area office in Windhoek. CIT is a Level 1 BBBEE contributor and 100% South African owned.
- Expanding across Southern Africa – Container Intermodal Trading CC (CIT), is a leading container brokerage company. CIT is renowned for quality, providing reliable value added services and offering the best market related pricing. CIT constantly pushes the boundaries in container and intermodal equipment trading.
- CIT was established in June 2007, with the express aim to provide a better all-round containerisation service to Africa. CIT was born from the vision to create employment in a challenging economy and to build a top container company that utilise local and global opportunities, by proactively challenging the container industry with innovative, trusted, cost-effective quality container and intermodal solutions.

INSPECTION & SURVEYS

CIT outsources its quality surveying of intermodal shipping containers of different types to **Container Supplies & Services**. The highly skilled IICL accredited surveyors provide a reliable, professional & cost effective survey services whose reports are concise, factual and professionally presented to be user friendly and include photographic and/or video evidence where necessary.

Our services includes container:

- **On/Off hire surveys** – Inspections done to ensure the container meets the condition criteria specified by clients agreement.
- **Pre/post repair surveys** – Conducted to check the repair estimates and quality of repair work of the depot according to [IICL](#) or CIC
- **Joint surveys** – Is a process to assess the nature, cause & damage done to a container together with depot and client
- **CSC Certifications** – An inspection which includes testing maintenance & inspection itself in accordance with CSC regulation
- **Depot audits**
- **Lashing reports** – Intended to determine the packages of cargo were lashed & secured in satisfactory condition suitable for shipping transport at sea.

PARTNERS & AFFILIATES

Container Intermodal Trading (CIT) is now the Southern African agent for Blue Sky Intermodal (UK) Ltd an international marine shipping container leasing company providing containers and related equipment on operating and finance leases to the container industry.

We are proud members of the Cape Chamber of Commerce and Industry. Established in 1804, the Cape Chamber of Commerce and Industry is the oldest member-based business organisation in Africa. It is mandated to serve, enable and lead business in the Western Cape. This is achieved through a plethora of services, networking opportunities as well as robust advocacy on behalf of business.

PARTNERS & AFFILIATES

The South African Oil & Gas Alliance (SAOGA) is dedicated to promoting the upstream and midstream sectors of the oil and gas value chain, primarily in South Africa and regionally in Southern Africa. The organisation operates as a partnership between the public and private sectors, receiving public funding to carry out a range of industry development activities and working to promote the interests of members.

We are a channel partner for I Interchange India, a young IT company specialising in providing software solutions for the shipping and intermodal industry, through their vast expertise from Container Data Management to Warehouse Management.
